HOPPE FAMILY

MISSIONARIES IN ALBANIA

Nathan and Gabriela Hoppe work to inspire, train, and equip people in the Orthodox Church of Albania to evangelize their nation and disciple their people through planting and fostering vibrant local Eucharistic communities. Together they lead the Central Children's Office, working in Tirana and neighboring cities to inspire and equip children and their families to be active agents in their transformation in Christ and in building their communities. Nathan serves as a professor in the Department of Theology and Culture at Logos University, training leaders for the Orthodox Church of Albania.

Please keep the Hoppe family in your daily prayers and become a regular monthly supporter to ensure their ongoing mission. Further, consider serving as a missionary yourself, helping to share the love of Jesus Christ with all the world.
