DANA BATES

MULTI-COUNTRY MISSIONARY

Dana moved to Romania in 1999 and co-developed Romania's first adventure education program. As a follow-up to the summer camp, he developed a service-learning model called IMPACT that has gone on to become a global best practice and is used in over 45 countries. Dana has partnered in youth ministry with the Romanian Orthodox Church and will share the IMPACT model in other areas of the world through OCMC and its partners. Dana received a PhD from Oxford in Orthodox theology in conversation with development and poverty studies.

Please keep Dana in your daily prayers and become a regular monthly supporter to ensure his ongoing mission. Further, consider serving as a missionary yourself, helping to share the love of Jesus Christ with all the world.
