DR. KRISTINA MANTASASVILI

MISSIONARY IN ARGENTINA

Dr. Kristina Mantasasvili serves the Holy Metropolis of Buenos Aires and South America, developing an Orthodox catechetical curriculum for children, youth, and young families. Her work responds to a vital need where Orthodoxy is still young and growing, and where people are discovering our faith for the first time. Drawing on her background in theology, experience in inter-Christian dialogue, and love for diverse cultures & languages, Kristina seeks to help nurture strong and vibrant Orthodox communities throughout South America.

Please keep Dr. Kristina in your daily prayers and become a regular monthly supporter to ensure her ongoing ministry.
